Website FAQ questionnaire

Your answers become the "Frequently Asked Questions" on the website. Please answer in your own words, in English or Urdu; we will write the final text and show it to you before it goes live.

How to fill this in. Part A shows the answers on the website today: tick "Correct" or write the change. Part B has new questions pilgrims often ask: answer the ones that apply, skip the rest, and tick whether each should appear on the website. Short answers are fine. If a fact may change (prices, dates), say so and we will keep it general.
